

6 Geese Alei'ing

Monday, December 25, 2023 8:56 PM

MY WORK AND ANSWER

Collecting the leis from the geese did not require any effort outside of visiting the islands where they were located. Interestingly, each goose made a noise that wasn't necessarily 'goose-like', as noted in the table below. I wondered if there was more to this than appeared so I noted where each goose was found and the noise each made when "talking" with it. If I circle back on this challenge, I will explore the code to see if there is anything more is revealed about the geese.
